A Trusted Partner for Seafood Sourcing & Export

Bahari Seafood is an Indonesian company engaged in the sourcing, processing, and export of seafood products. We work with selected local fishermen and suppliers to bring squid, octopus, shrimp, lobster, tuna, red snapper, and a wide variety of fresh seafood of the finest quality.

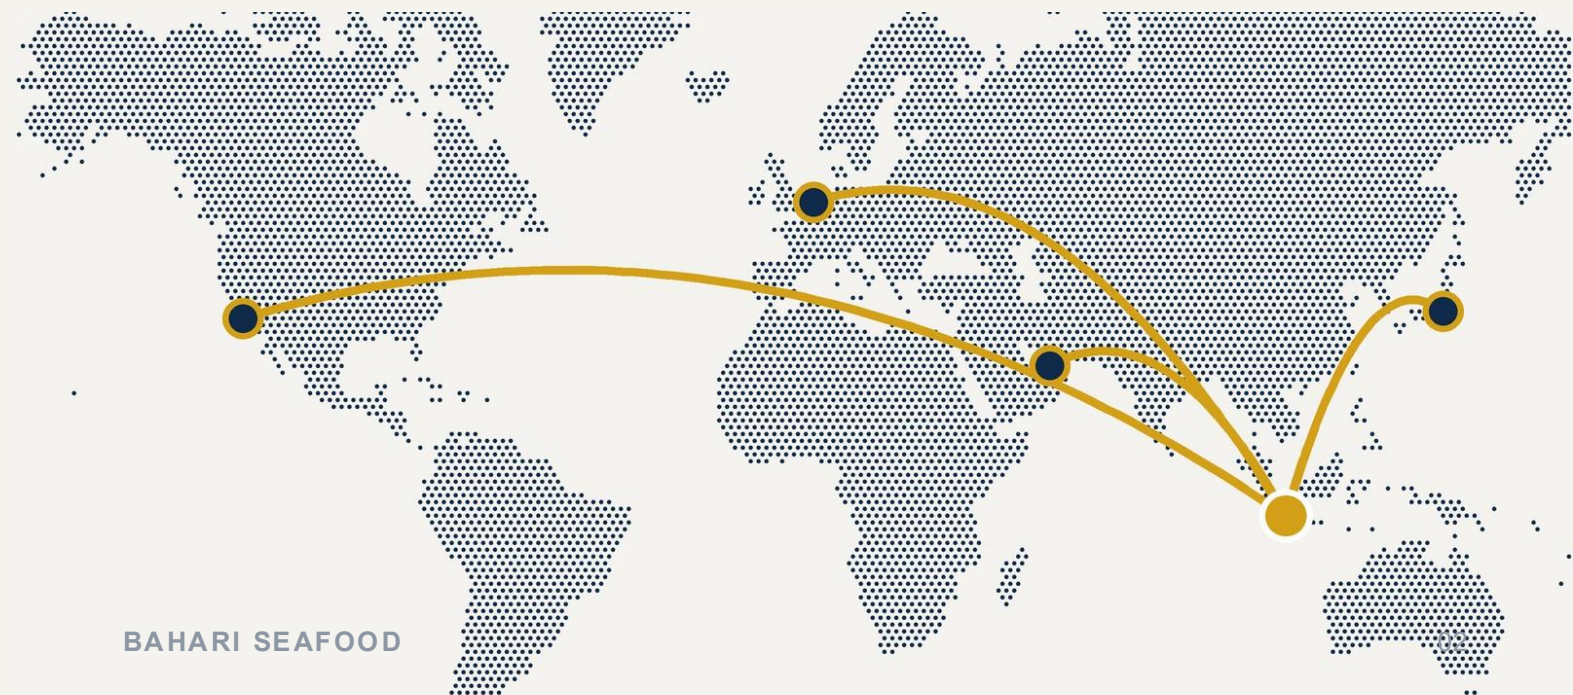

Every product goes through careful selection, hygienic handling, and quick freezing to preserve freshness and meet the quality and food-safety standards required by both domestic and international partners.

- ✓ Sourced directly from partner fishermen & farms
- ✓ Hygienic handling & quick freezing
- ✓ Ready for export-scale & wholesale orders
- ✓ Complete export documentation & permits

Ready to Ship Worldwide

OUR PROCESS

From the Sea to Your Destination Port

01

Sourcing

Seafood procurement from selected partner fishermen & farms.

02

Quality Control

Size sorting, freshness checks, and product quality standards.

03

Processing & Packing

Washing, quick freezing, and packaging to export standards.

04

Cold Storage

Controlled low-temperature storage to preserve product freshness.

05

Export & Shipping

Complete documentation and logistics coordination worldwide.

PAYMENT & SHIPPING

Payment Terms

T/T (Telegraphic Transfer) and Letter of Credit (L/C), as agreed with the buyer.

Shipping Time

Typically 2-5 weeks for international sea freight, depending on the route.

Cold Chain

Temperature-controlled reefer containers maintained throughout the journey.
